

“To assert that a world as intricate as ours emerged from chaos by chance is as sensible to claim that Shakespeare’s dramas were composed of rioting monkeys in a print shop.”

Merrill C. Tenney

Curiosity has its own reason for existing. One cannot help but be in awe when he contemplates the mysteries of eternity, of life, of the marvelous structure of reality. It is enough if one tries merely to comprehend a little of this mystery every day. Never lose a holy curiosity.

Albert Einstein

As a being and life form, all of mankind must seek the absolute sunshine of being. To do otherwise is to deny the essence of life; which is growth in body mind and soul. These in turn reflects Self love.

Auliq Ice

“Women need real moments of solitude and self-reflection to balance out how much of ourselves we give away.”

Barbara DeAngelis

“We can let fear rule our lives or we can become childlike with curiosity, pushing our boundaries, leaping out of our comfort zones, and accepting what life puts before us.”

Alan Watts

“We are the miracle of miracles, the inscrutable mystery of God.”

Thomas Carlyle

“Anyone who thinks that sunshine is pure happiness, has never danced in the rain.”

“By replacing fear of the unknown with curiosity, we open ourselves up to an infinite stream of possibility.”

Alan Watts

Photography records the gamut of feelings written on the human face, the beauty of the earth and skies that man has inherited, and the wealth and confusion man has created. It is a major force in explaining man to man.

Edward Steichen

“Love the moment and the energy of the moment will spread beyond all boundaries.”

Corina Kent

By having a reverence for life, we enter into a spiritual relation with the world. By practicing reverence for life we become good, deep and alive.

Albert Schweitzer

"It is important to foster individuation, for only
the individual can produce the new ideas"

Albert Einstein
